The purpose of the First Aid Meet is to test patrol skills and the ability of the patrol to respond as a team to emergency situations.

In an effort to have more consistency in judging and more realistic scenarios, please note the changes from previous meets:

Victim Info

Reminder – Victims Needed.

Troops are asked to have at least one person per patrol to act as victims for scenarios. This will allow the Boy Scouts to participate in all scenarios. Webelos will also be allowed to act as victims this year.

Victims will report to registration for assignment and instructions.

Patrol sizes

Reminder – Each patrol is to have at least **4** Scouts, but not more than **8**. Patrols may NOT change Scouts once the event has started.

Scenario Info

Three first aid scenarios will be given in a written format. Scouts will have 10 minutes for each scenario to demonstrate the skills required to treat the scenario victim. There will also be one written test to be completed by the patrol.

Judging

Scenario judging and test questions will be based on skills covered in the First Aid section of the Scout Handbook and the First Aid Merit Badge Pamphlet.

Scouts will also be evaluated on their ability to perform as a team in providing correct first aid to an injured person.
