

PATROL NAME: _____ **TROOP #** _____

NORTH VALLEY DISTRICT 2009 FIRST AID MEET

Seizure & Nosebleed Scenario

Scenario: Your patrol is participating in the Due North Map and Compass Competition. The weather is approximately 60° with a cool breeze. The competition began at Tenderfoot Lodge and continues through the town of Mayberry. The competition headquarters is located at Tenderfoot Lodge.

After leaving Tenderfoot Lodge and walking approximately two blocks, your patrol observes an approximate 22 year old male having an active seizure on the sidewalk ahead. No one else is nearby the victim. The seizure is still active when you get there and only lasts about 1 minute after you arrive.

While helping the seizure patient, one of the scouts in the patrol develops a nosebleed. The scout gets frequent nosebleeds and it is not trauma related.
